

Coach's Release
 GCSA Competitive Division
 (Due to GCSA Office: **As soon as approved by club.**)

Per GCSA Green Book, Section VIII. CLR, A.3.b.:

Once a Recruiting Agreement (available on website) has been reached between a Club and an individual for that individual to serve as the coach for one of the Club's competitive teams, the coach must request and receive a Coach's Release (available on website) if said coach wishes to go to another club for the seasonal year. However, once a Recruiting Agreement has been reached between a Club and an individual for that individual to serve as the coach for one of the Club's competitive teams, AND (b) the GCSA Electronic Competitive Tryout Circular has been published, that individual may not serve, during the seasonal year covered by the circular, as a coach, assistant coach, manager or team trainer for another competitive team in the same age and sex category without the prior consent of the Club for which he or she had originally agreed to coach.

This document serves as release of below coach from their current club responsibilities.

(check appropriate box)

- Released to train or coach any age or sex category.
- Release to train or coach only a different age or sex category other than published per GCSA Green Book.
