

**Request to Re-Roster Green Country Soccer Club
Registered Player Pursuant to
the Oklahoma Soccer Association
Club Player Pass System**

This request is submitted by _____ Club, a participant in the Oklahoma Soccer Association Club Player Pass System for the seasonal year 2005-2006, to permit a change in roster of the USYS/Green Country Soccer Association registered player designated below:

1. Certification of Director of Coaching. By my signature, I certify to the Green Country Soccer Association that I am the Director of Coaching (or Club President if Club has no Director of Coaching) for _____ Club ("Club Official"), and that in my judgment, and pursuant to the Club Player Pass System, that _____, a player on the existing _____ team ("Player"), should be permitted to transfer to the roster of _____ team, in *his/her* best interest, and that the rosters of each team should be amended accordingly. I certify that Player is eligible to be added to the roster under the Club Player Pass System. I acknowledge and recognize that this action will constitute a "transfer" to the roster receiving the Player for purposes of eligibility in Oklahoma Soccer Association/USYSA competitions, because the Player has previously been rostered during the seasonal year on a Green Country Soccer Association team. This request has been discussed with the coaches of each affected team and with the parent or guardian of the Player, and all believe this is in the best interest of the Player. We further certify that the player is eligible under the Club Player Pass System to play on the team to which the roster transfer is requested.
