GENERAL INFORMATION:

Evaluation will be made by the GCSA Scholarship Foundation Committee based on GCSA participation, financial need, and academic achievements. The Committee's recommendations will be presented to the GCSA Board of Directors for their approval.

The GCSA Scholarship Foundation scholarship program is consistent with the NCAA Guidelines for NCAA Division I schools. These scholarships must be annual awards (no multi-year awards) and each student must go through the entire selection process each year. This applies to all applicants for GCSA Scholarships.

Every effort will be made to notify the successful applicants by letter of the Committee's decision by July 21st of the year applying for the scholarship.

All GCSA Scholarship recipients must provide proof of enrollment (each semester) before funds will be disbursed. Proof of enrollment shall consist of a copy of student's class schedule (issued by college or university) showing the number of hours enrolled in. All college enrollment verifications are due to the GCSA office before their current college year concludes or their scholarship will not be paid – NO EXCEPTIONS.
